Cleaning, Nettoyage, Reinigung, Pulizia, Limpieza

Clean with a damp soapy cloth and rinse well with clean water. A soft brush can be used for heavy soiling. Do not use solvents, bleaches, abrasives, synthetic detergents, wax polishes or aerosol sprays

Nettoyer régulièrement avec une éponge ou une brosse, et de l'eau savonneuse, suivi d'un rinçage léger. Ne pas utiliser: agents blanchissants, dissolvants, produits abrasifs, détergents, cire et cirage, aérosols.

Einfache Reinigung mit einem feuchten seifigen Tuch, danach mit klarem Wasser abwischen. Bei größerer Verschmutzung empfiehlt sich eine weiche Bürste. Bitte keine Chemikalien und keine Wachsputuren, Scheuer- und Scheifmittel verwenden.

Pulite con un tessuto inumidito e insaponato e risciacquate bene con acqua pulita. Per macchie più difficili potete usare una spazzola morbida. Non usate solventi, candeggi, abrasivi, detersivi sintetici, liquidi per lucidare o sprays aerosol.

Limpia con una gamuza ligeramente húmeda y con un poco de jabón. Puede utilizarse un cepillo suave para manchas fuertes. No utilizar disolventes, agentes blanqueadores, abrasivos, detergentes sintéticos, ceras o sprays que contengan aerosoles.
